CENTRAL BELL TELEPHONE COMPANY	)	90-256

O R D E R

This matter having come before the Commission on the Attorney General's January 24, 1991 motion to compel South Central Bell Telephone Company ("South Central Bell") to provide information requested in items 64, 66, 68, 70, 72 and 74 of the Attorney General's data request and motion to file supplemental testimony and all parties having been given the opportunity to be heard, and being otherwise sufficiently advised, the Commission hereby finds that the motion to compel should be denied.

The Attorney General's motion to compel specifically requests that South Central Bell provide the information to the Attorney General and his consultant at their respective offices. In addition, the Attorney General requests that the Commission allow time to review the information and, if necessary, to file supplemental testimony.

In its January 29, 1991 response, South Central Bell asserts that it has not refused to produce the information. South Central Bell has agreed to produce the information to the Attorney General's consultant in another state the week of January 28, 1991. In addition, South Central Bell is willing to produce the

information for the Attorney General's inspection in its Frankfort offices. South Central Bell has made the information requested available for review and states that it has no objection to the Attorney General filing supplemental testimony if it is filed by February 8, 1991.

IT IS THEREFORE ORDERED that the Attorney General's motion to compel is hereby denied. South Central Bell shall allow for the inspection of the requested information at its Frankfort offices at a mutually agreeable time and shall allow for the Attorney General's consultant to inspect the information at a mutually agreed location. The Attorney General's request to file any supplemental testimony related to this information is granted and is due no later than February 8, 1991.

Done at Frankfort, Kentucky, this 4th day of February, 1991.
